LETTER RE TYPOGRAPHICAL ERROR IN INVENTOR'S NAME

Sir:

While reviewing the Image File Wrapper (IFW) of the above-captioned application, it was noted that the first name of the second inventor, Rae Anne Cordick, is misspelled on the Bib-Data Sheet. In particular, the Bib-Data Sheet lists the second inventor as "Rae Anne Cordick".

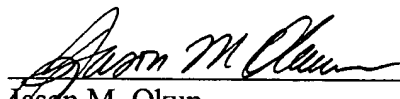

Applicants believe that this obvious typographical error is a result of the Patent Office's interpretation of the the second inventor's first name as typed on the executed Declaration, filed on February 4, 2004, which has been partially obscured by the signature. The signature, however, clearly indicates that the second inventor's name is "Rae Anne Cordick".

Therefore, correction of the Bib-Data Sheet and issuance of a corrected

Filing Receipt to list the second inventor as "Rae Anne Cordick" are respectfully requested. Such a correction is proper in view of the procedures set forth in M.P.E.P. § 601.05 and M.P.E.P. § 605.04(b), as confirmed by Mr. Irvin Dingle from the Office of Petitions during a telephonic interview conducted with the undersigned on May 25, 2005. A Supplemental Application Data Sheet, setting forth the correct information, is enclosed for the Office's convenience, as strongly encouraged in M.P.E.P. § 605.04(b).

Applicants' undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our below listed address.

Respectfully submitted,
